E. NARRATIVE/REMARKS/COMMENTS

Checked with Assessor's office. Verified ownership.
I was unable to make contact with
the Rose family. The person listed on the
beneficial use form as the one to contact
for exam Tom Rona (208) 263-8089 told me
that he was no longer involved. He gave me
numbers to try to find them, from Idaho to
Reno NV. I sent letters and called the numbers.
After 2 months of this, I decided to visit the
site. The permit list domestic use is for
1 home. There is no home on property. I did
find a small lawn, a dock, and barbeque pit,
and a lake diversion. I couldn't run system.
Pump controls were locked. It was obvious
that someone was taking care of facility. I
finally tracked him down. Vern Harvey (208) 263-1682.
He installed the system and takes care of it.
He gave me the pump information and rate.
Usage is outside domestic use only.
