

Mr. Alshady,

The original documentation we sent to you was on 26.6153 acres purchased from Paul Duchesne. We purchased an additional 50 acres from Paul and Karen Duchesne five months later. I called Jeff Peppernack on 4/30/04 and was told to send the legal on 2nd purchase which gives a total of 80 acres along with a check for 100⁰⁰. He believed this should give us a 50% water right ownership with a water right of 0.02 CFS.

Thank you for your prompt attention.
