RE: Change in Ownership for Water Right No. 98-7200

Dear Kandice,

You have requested per your letter of December 6, 2004, 1) evidence of water right ownership and 2) legal descriptions of our ownership.

Enclosed is documentation that depicts our ownership within the SW $\frac{1}{4}$ NW $\frac{1}{4}$ and the SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 13, T62N, R2E. Copies of the warranty deeds are enclosed and the legal descriptions are described within these deeds. Both of these deeds depict the sale of George White's land to the McClintocks.

I have also enclosed a good map that illustrates where the water right is located and also where the irrigation occurs. You probably have this map but, just in case you do not, I have enclosed another.

I hope this will clarify any questions that you have.

Should you have any further questions, I can also be reached by phone during the day at either 208-267-1353 or 208-255-9158.

Thank you,

Kennon McClintock
