RE: Change in Ownership for Decreed Water Right 34-690A

Dear Ms. Hinkle-Daniel:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Filing Fee of \$25** per water right

☒ **Evidence of Water Right Ownership:** Signed copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question (a copy of your warranty deed is enclosed)

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. We have determined that the filing fee for your notice will be **\$25.00**.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Kari Lynn Townsend
Secretary
