NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that an Application for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Blaine County: **CAREY WATER & SEWER DISTRICT, PO BOX 187; CAREY ID 83320 filed Application No. 71537** on 9/3/04. This application proposes to change the point of diversion for the south well in this system. The original well drilled in Sec. 34 did not produce enough water, so a test well was drilled a little further north. The new well is a good producer, so will replace the poor well under this transfer. The original well just north of Carey will remain as part of the system. The new well is located about 1/8 mile SE of the Hwy. 20/93 interchange in Carey. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before February 22, 2005. The protestant must also send a copy of the protest to the applicant.
