Clint is the ditchrider/manager for the Oakley Canal Company and also the 45K watermaster. Clint should have got the letter at the canal company office.

I see in the transfer file (shown on Power Docs also) that a comment request letter was sent to:

Oakley Canal Co
Water District #45-K
1401 S 600 W
Oakley ID 83346.

Water District records show that the WM for WD 45K is:

Clint Muhlstein
PO Box 207
Oakley ID 83346-0207.

Was there a mix-up? Did the WM ever receive a comment letter? There isn't a separate one in the transfer file? Please explain &/or contact the WM for comment. I will hold the transfer from final processing until we have verified contact with the WM.
