Re: Substitute Versalles Transfer Application

Dear Mr. Skinner:

Enclosed please find a substitute application for transfer of water rights submitted by my client Versalles Real Estate Corporation. Please substitute this application for the one received by IDWR on or about December 7, 2004. My client is attempting to sell this property so we would appreciate IDWR's prompt action with respect to this application. Thank you for your attention and assistance in this matter.

Very truly yours,

THOMAS B. DOMINICK
