RE: Draft Transfer No. 71361

Dear Mr. May:

Please find enclosed the transfer application that I prepared electronically shortly after our meeting this morning. Please look it over to confirm it describes how you wish to change your water rights.

If it correctly describes your desire then complete the questions at the end of each Part 2 for each right. Both you and your wife also need to sign it on page 3 before a notary. You may then send it in with a check for \$530.00 to pay the filing fee. Additionally you will need to submit a notarized release from any lien holder approving of your requested transfer if you have a lien on the property. You must also submit copies of deeds for all lands involved demonstrating you own the land.

If you have questions please feel free to contact this office. If we need further information we will contact you.

Respectfully,

A handwritten signature in black ink, appearing to read 'A. Merritt', is written over a faint, circular official stamp.
