Hi, KariLynn,

I am doing some research on bad addresses for Water District 120 assessments and may be notifying you of several changes in the next several days.

For now, per Bingham County, water right 35-13334 and accompanying property which belonged to Deborah J and Claude F Barnes was sold to:

George Custer
4555 S. Mission Rd. #657
Tucson, Az 85746

Please send the appropriate paper work.

Thanks!
Terry
