**RE: RENTAL OF WATER RIGHTS LEASED TO THE WATER SUPPLY
BANK. WATER RIGHT NO(S). 36-2130C, 36-7850C, 36-8106C, AND
36-2684**

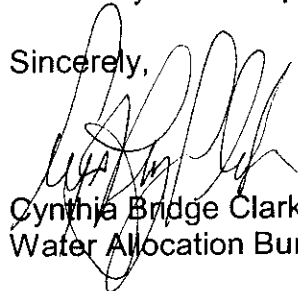

Dear Lessor(s):

In a letter dated July 13, 2004, Douglas E. Grant Jr. requested that the entire payment for the rental of water from the above referenced water rights by Grant 4-D Farms be issued back to Grant 4-D Farms. The Department of Water Resources has requested the issuance of a state warrant in the amount of **\$15,484.40** as payment to you for a five-year annual rental of 312.8 acre-feet of the above referenced water right from the Water Supply Bank managed by the Idaho Water Resource Board. Grant 4-D Farms paid an excess of 80 cents for the total rental fee. A refund of this amount has been included in the above-described payment.

In accordance with Water Supply Bank rule 35.01, *IDAPA 37.02.03*, return for the rental is ninety percent (90%) of the gross amount received at a rental rate of \$11.00 per acre-foot of water per year. The Controller's office will issue the warrant within the next twenty (20) days to the address specified on the Request for Taxpayer Identification Number and Certification form (W-9 form) provided to the Department.

If you have questions, please feel free to contact me.

Sincerely,

Cynthia Bridge Clark
Water Allocation Bureau
