RE: **WATER SUPPLY BANK RENTAL FEE - 36-2130C, 36-7850C, 36-8106C, AND 36-2684**

DATE: September 8, 2004

The following information is provided to document the request for a state warrant compensating the lessor of the above referenced water right(s) for rental of a portion of the right(s) from the Water Supply Bank. This request should supercede the request dated June 2, 2004 for the issuance of two separate warrants in the name of Grant 4-D Farms and Douglas E. Grant. A copy of the receipt for the rental payment and the W-9 forms submitted by Grant 4-D Farms were provided with the previous request.

The total rental fee for rental of water from the above referenced water rights was \$17,204.00. Due to an error on correspondence between the Department and the applicant, the renter paid an additional 80 cents. In this case, the renter, Grant 4-D Farms, is also one of the lessors. Therefore, I included the 80 cents in the payment to Grant 4-D Farms. The amount of money receipted to the Department and Owner shares may need to be revised.

Please have a state warrant prepared in the amount of **\$15,484.40** sent to the following address:
