RE: PERMIT NO. 36-16062

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit extending the time within which to submit proof of beneficial use of water to **September 1, 2005**. Please note that the department granted the extension due to circumstances beyond your control, which kept you from completion of the development of the permit. It is important that you work diligently toward the completion of this project during the construction period allowed since the department may be unable to grant additional extension requests based on due diligence or circumstances beyond your control.

Please note that the approved request reinstates the permit, however, since your request was submitted after the proof due date the priority of the permit advances to August 12, 2002, as referenced in Section 42-218a, Idaho Code.

If you have any questions regarding this matter, please feel free to contact me at (208)287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
