Re: Water Right Permit No. 37-8850

Dear Dr. Carter:

Enclosed please find the Fairway Subdivision plans for the water distribution system. I am returning these plans because the department did not rely on them for reinstatement of this permit since they do not appear to represent the "as built plans" for the system, and because you provided other sufficient evidence to support beneficial use.

If you have any questions, my direct phone number is 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
