RE: Application for **Transfer No. 71454**

Dear Applicant:

The Department of Water Resources acknowledges receipt of your application. Please refer to the number in all correspondence regarding the above referenced application.

Since the application proposes a change in County for the point of diversion, this office has scheduled advertising the applications in both the **South Idaho Press and North Side News on 1/27 & 2/3/05**. A period of ten days following the second publication will be allowed for the submittal of protests with the final protest date on **February 14, 2005**.

If an application is protested, the applicant will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

State Office personnel will conduct a complete review prior to final processing of the application(s) and will notify the applicant regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
