RE: Relinquishment of Water Right 47-7935

Dear Mr. and Mrs. Koffer:

The Department of Water Resources (IDWR) has received the notice submitted by Mark Koffer for the relinquishment of Water Right 47-7935. The notice indicates that Water Right 47-7935 is being relinquished so that you can pursue Snake River Basin Adjudication (SRBA) Claim 47-17178, which is for the same water use with an earlier priority date. Because all the documentation in the water right file for Right 47-7935 describes the ownership as Mark S. Koffer *and* Cynthia G. Koffer, as opposed to using *or* or *and/or*, IDWR also requires notification from Cynthia Koffer before the relinquishment can be recognized. The signature on the notice should be notarized. Perhaps you could draft a new document that includes notarized confirmation of both signatures.

I also noted that it appears the SRBA court has not yet decreed Claim 47-17178. If that is accurate, you may wish to postpone relinquishment of Right 47-7935 until Claim 47-17178 is positively confirmed by a decree of the court.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
