RE: Application for Transfer No. 71619

Dear LEGAL NOTICE DEPARTMENT:

Enclosed you will find a legal notice which we wish to have published in your newspaper on the dates indicated (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 01/24/2005. Your cooperation is appreciated.

Sincerely

Sue Kreger
Administrative Assistant

PROPOSED CHANGE OF WATER RIGHT

Jim Scarrow of 3184 S 1900 E, Wendell ID 83355 filed application no. 71619 with IDWR to transfer ten water rights with 1960 to 1973 priority dates from ground water totaling 20.80 cfs. The purpose of the transfer is to retire 276 acres from irrigation on two of the rights and use the appurtenant ground water for commercial and stockwater uses for a proposed dairy consisting of 7000 milking cows, 1299 dry cows and 8299 replacement heifers. Applicant also wishes to drill two new wells for the dairy and list them with eight existing wells on all of the rights along with a 990 acre permissible place of use to reflect a combined water delivery system for irrigation and land application of dairy wastewater. The site is located approximately 4 miles north of Parma and 2 ½ miles east of Hwy 95.

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.state.id.us with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before February 7, 2005. The protestant must also send a copy of the protest to the applicant.
