The Department of Water Resources has completed the advertising of your claims to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claims will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claims does not confirm the water rights claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claims, you may have that information or evidence added at any time. Please refer to the claims identification number when corresponding with this office.

We are enclosing copies of four claims that required number changes during our processing. An additional claim 77-4116 was forwarded to our Northern Region office for further processing and a number change. You will be notified by that office when processing is complete. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Terms and Conditions of Purchase Order

The following terms and conditions apply to purchase orders only. When "Purchase Order" is checked on the front of this form, supplies or services shall be furnished in accordance with the terms specified on both sides of this order and on the attached sheets, if any.

1. INSPECTION AND ACCEPTANCE. - Inspection and acceptance will be at destination, unless otherwise provided. Until delivery and acceptance, and after any rejections, risk of loss will be on the Contractor unless loss results from negligence of the Government.

2. VARIATION IN QUANTITY. - No variation in the quantity of any item called for by this contract will be accepted unless such variation has been caused by conditions of loading, shipping, or packing, or allowances in manufacturing processes, and then only to the extent, if any, specified elsewhere in this contract.

3. DISCOUNTS. - Discount time will be computed from date of delivery at place of acceptance or from receipt of correct invoice at the office specified by the Government, whichever is later. Payment is made, for discount purposes, when check is mailed.

4. DISPUTES. - (a) This contract is subject to the Contract Disputes Act of 1978 (Pub. L. 95-563).

(b) Except as provided in the Act, all disputes arising under or relating to this contract shall be resolved in accordance with this clause.

(c) (i) As used herein, "claim" means a written demand or assertion by one of the parties seeking, as a legal right, the payment of money, adjustment or interpretation of contract terms, or other relief, arising under or relating to this contract.

(ii) A voucher, invoice, or request for payment that is not in dispute when submitted is not a claim for the purposes of the Act. However, where such submission is subsequently not acted upon in a reasonable time, or disputed either as to liability or amount, it may be converted to a claim pursuant to the Act.

(iii) A claim by the contractor shall be made in writing and submitted to the contracting officer for decision. A claim by the Government against the contractor shall be subject to a decision by the Contracting Officer.

(d) For contractor claims of more than \$50,000, the contractor shall submit with the claim a certification that the claim is made in good faith; the supporting data are accurate and complete to the best of the contractor's knowledge and belief; and the amount requested accurately reflects the contract adjustment for which the contractor believes the Government is liable. The certification shall be executed by the contractor if an individual. When the contractor is not an individual, the certification shall be executed by a senior company official in charge at the contractor's plant or location involved, or by an officer or general partner of the contractor having overall responsibility for the conduct of the contractor's affairs.

(e) For contractor claims of \$50,000 or less, the Contracting Officer must render a decision within 60 days. For contractor claims in excess of \$50,000, the Contracting Officer must decide the claim within 60 days or notify the contractor of the date when the decision will be made.

(f) The Contracting Officer's decision shall be final unless the contractor appeals or files a suit as provided in the Act.

(g) The authority of the Contracting Officer under the Act does not extend to claims or disputes which by statute or regulation other agencies are expressly authorized to decide.

(h) Interest on the amount found due on a contractor claim shall be paid from the date the claim is received by the Contracting Officer until the date of payment.

(i) Except as the parties may otherwise agree, pending final resolution of a claim by the contractor arising under the contract, the contractor shall proceed diligently with the performance of the contract in accordance with the contracting officer's decision.

5. FOREIGN SUPPLIES. - This contract is subject to the Buy American Act (41 U.S.C. 10 a-d) as implemented by Executive Order 10582 of December 17, 1954, and any restrictions in appropriation acts on the procurement of foreign supplies.

6. CONVICT LABOR. - In connection with the performance of work under this contract, the Contractor agrees not to employ any person undergoing sentence of imprisonment except as provided by Public Law 89-176, September 10, 1965 (18 U.S.C. 4082(c) (2)) and Executive Order 11755, December 29, 1973.

7. OFFICIALS NOT TO BENEFIT. - No member of or Delegate to Congress or resident commissioner, shall be admitted to any share or part of this contract, or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

8. COVENANT AGAINST CONTINGENT FEES. - The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fees, excepting bonafide employees or bonafide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty the Government shall have the right to annul this contract without liability or in its

discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fees.

9. FEDERAL, STATE, AND LOCAL TAXES. - Except as may be otherwise provided in this contract, the contract price includes all applicable Federal, State and local taxes and duties in effect on the date of this contract but does not include any taxes from which the Government, the Contractor or this transaction is exempt. Upon request of the Contractor, the Government shall furnish a tax exemption certificate or similar evidence of exemption with respect to any such tax not included in the contract price pursuant to this clause. For the purpose of this clause, the term "date of contract" means the date of the contractor's quotation or, if no quotation, the date of this purchase order.

10. SERVICE CONTRACT ACT OF 1965. - (applies only to contracts for services unless exempted by the regulations of the Department of Labor) - Except to the extent that an exemption, variation, or tolerance would apply pursuant to 29 CFR 4-6 if this were a contract in excess of \$2500, the contractor and any subcontractor hereunder shall pay all his employees engaged in performing work on the contract not less than the minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended. All regulations and interpretations of the Service Contract Act of 1965 expressed in 29 CFR Part 4 are hereby incorporated by reference in this contract.

11. CHANGES. - The Contracting Officer may at any time by a written order, and without notice to the sureties, make changes within the general scope of this contract, in any one or more of the following: (i) for supplies; (a) drawings, designs, or specifications, where the supplies to be furnished are to be specially manufactured for the Government in accordance therewith; (b) method of shipment or packing; and (c) place of delivery; (ii) for services, including but not limited to the following: (a) specifications (including drawings and designs); (b) method or manner of performance of the work; (c) Government-furnished facilities, equipment, materials, services, or site; or (d) directing acceleration in the performance of the work. If any such change causes an increase or decrease in the cost of, or the time required for, the performance of any part of the work under this contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the contract price or delivery schedule, or both, and the contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change. *Provided, however,* that the Contracting Officer, if he decides that the facts justify such action, may receive and act upon any such claim asserted at any time prior to final payment under this contract. Where the cost of property made obsolete or excess as a result of a change is included in the Contractor's claim for adjustment, the Contracting Officer shall have the right to prescribe the manner of disposition of such property. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled "Disputes." However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

12. TERMINATION FOR DEFAULT. - The Contracting Officer, by written notice, may terminate the contract, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event the Contractor shall be liable for damages, including the excess cost of procuring similar supplies or services, provided that if (i) it is determined for any reason that the Contractor was not in default or (ii) the Contractor's failure to perform is without his and his subcontractor's control, fault or negligence the termination shall be a termination for convenience under Paragraph 13.

13. TERMINATION FOR CONVENIENCE. - The Contracting Officer, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the Government. If this contract is for supplies and is so terminated, the Contractor shall be compensated in accordance with Part 1-8 of the Federal Procurement Regulations (41 CFR 1-8), in effect on this contract's date. To the extent that this contract is for services and is so terminated, the Government shall be liable only for payment in accordance with the payment provisions of this contract for services rendered prior to the effective date of termination.

14. ASSIGNMENT OF CLAIMS. - Claims for monies due or to become due under this contract shall be assigned only pursuant to the Assignment of Claims Act of 1940, as amended (31 U.S.C. 203-41 U.S.C. 15). This purchase order may not be assigned unless or until the supplier has been requested to and has accepted this order by executing an Acceptance hereon.

15. CLAUSES INCORPORATED BY REFERENCE. - If the amount of this purchase order exceeds \$2,500, the following clauses form a part of the purchase order and are hereby incorporated by reference. Citations refer to the Federal Procurement Regulations. Text of the clauses may be obtained from the Contracting Officer:

Employment of the Handicapped (1-12.1304)
Contract Work Hours and Safety Standards Act (1-12.303)
Service Contract Act of 1965 (1-12.904-1) (when applicable this clause takes precedence over paragraph 10 above).
