Dear Mr. Haynes:

Enclosed are water right forms for the filing of Northern Region, United States Department of Agriculture, Forest Service water claims. The Department of Water Resources, Northern District in Coeur d'Alene will accept all claims by the USDA Forest Service, Northern Region as previously agreed upon (ref. meetings of Jan 25, Coeur d'Alene and Feb. 10, Boise), and will distribute them to the appropriate State of Idaho, Department of Water Resources Regions. The filings of National Forest claims are prepared in the following formats:

1. A notarized statement (transmittal affidavit) signed by the Regional Forester attesting to the validity of the enclosed claims, a listing of state file numbers assigned by State Basins as per list of available numbers provided by the Department of Water Resources and Federal provisions;
2. Computer printouts containing the information compatible with the Idaho State Department of Water Resources claim forms for each water claim;
3. Computer printouts in Idaho's advertising format for each water claim;
4. Computer tape compatible with the State of Idaho's water rights program with water claims sorted by State basin;
5. Computer printouts identifying Federal Reserved rights and/or claims not admissible under Idaho Department of Water Resources administrative codes.

AFFADAVIT OF TRANSMITTAL

I, Charles T. Coston, having been duly sworn, depose and say that I, being the claimant for the National Forest Claims for the Northern Region of the United States Department of Agriculture, Forest Service, attest to the validity of these claims and that the matters and things stated within are true and correct to the best of my knowledge.

The enclosed claims to a water right are for uses established prior to March 25, 1963, for groundwater and prior to May 20, 1971 for surface water right. These claims do not include all USDA Forest Service water uses or rights within each Idaho State Basin. Notification of other USDA Forest Service water uses, not all inclusive, is included in the interest of comity.
