**RE: FINAL PAYMENT FOR RENTAL OF WATER FROM SNAKE RIVER THROUGH
THE WATER SUPPLY BANK. WATER RIGHT NO. 2-2379**

Dear Mr. Ketterling,

All or portions of the water right(s) referenced above were leased to the Water Supply Bank ("bank") during the 2003 irrigation season in accordance with Agreement No. 1425-03-MA-10-3930 ("Agreement") between you and the United States Bureau of Reclamation ("Reclamation"). The Idaho Department of Water Resources ("department") has invoiced Reclamation for the funds associated with the second and final payment. Upon receipt, the Controller's office will issue a state warrant in the amount of **\$38,853.00** to be sent directly to the address listed above.

The enclosed map identifies the eligibility status of the lands as evaluated by the department. It indicates whether the lands were determined to be eligible or ineligible for payment.

Payment for rental of the right(s) from the bank was contingent upon the determination that the acres associated with the rental application had a valid Snake River water right(s), and that they qualified for payment as provided in Contract no. 1425-03-WL-10-2003 between Reclamation and the Department of Water Resources to Implement the Rental of Water Rights Under the Pilot Program for Leasing of Snake River Natural Flow Water Rights for 2003, said agreement dated June 25, 2003 ("Contract").

The Agreement and Contract specify that one half of the estimated payment will be paid on or around July 1, 2003, and the second half shall be issued after the irrigation season has ended. The total payment to TLK Farms, Inc. was calculated based on the total number of acres determined to be eligible for payment times \$150.00 per acre idled minus a ten percent (10%) administrative fee as provided in the Water Supply Bank rules. The first payment was calculated based on fifty percent (50%) of the estimated final payment. The second payment includes the remainder of the total payment based on the number of acres determined to be eligible.

Below is a summary of the payments to TLK Farms, Inc. for the rental of the referenced water right(s) from the bank:

Contracted Idled Acres (ac)	Eligible Idled Acres (End of irr season)	Acres Ineligible for Payment	Payment Rate (price/ac)	Payment(s) to Lessor		
				Payment 1 (50%)	Payment 2 (remainder)	Total Payment
575.6	575.6	0.0	\$150.00	\$38,853.00	\$38,853.00	\$77,706.00

This payment, in the amount of \$38,853.00 is considered to be the final payment for the rental of water rights for the 2003 irrigation season. If you have questions, please feel free to contact the department.

Sincerely,

Cynthia Bridge Clark
Associate Engineer
