TOTALS	14,394.0	

Conditions of application

1. Idaho Power will not be responsible for any payment for these water rights. Payment is covered by the Agreements cited above.
2. Water rented from the Water Supply Bank ("bank") under this application is based on the above-cited agreements. It shall only include water leased to the bank by the entities listed above.
2. The acreages and volumes listed above were compiled from the Applications submitted by the corresponding entities to lease water to the Water Supply Bank.
3. The volume of water available for lease is contingent upon the determination that the acres associated with the rental applications have a valid Snake River water right(s).
