RE: Holman - Application for Permit

Dear Mr. Skinner,

Enclosed please find an Application for Permit, including application fee to appropriate water for a spring box stockwater development. Mr. Eugene Holman, the applicant proposes to develop a spring box on an unnamed spring, a tributary to Townsend Gulch located in Blaine County, Idaho. The water development will supply stockwater to a planned horse operation, which will consist of four to six animals and be located on Mr. Holman's property. The proposed project is located in Section 2, Township 1 North, Range 18 East, Blaine County, Idaho.

Sawtooth Environmental Consulting was contracted to fill out and submit the application for permit on behalf of Mr. Holman. I'm available to answer any questions that you may have with regards to the application for permit. Please do not hesitate to contact me with any questions or concerns. My office number is (208) 727-9748.

Sincerely,

Trent Stumph
