A new Partial Decree will be issued for this right, making the corrections Mr. Hart asked for. The new decree will be in his name, so no c-o is necessary!

Good Morning, Roxanne . . .

I've just had a phone call from Paul Hart regarding the status of decreed water right 85-11728. I had sent his ownership change request back because there had been no response to a previous letter.

He told me that he had been in a 3-way phone conversation in April with you and the SRBA rep about the discrepancy in the legal description between his deed and the decree.

Could you bring me up to date on the status of this right so that I can update the file.

:) :) :) Thanks.

Kari Lynn
