Dan,

In a letter dated August 31, 2004, you had requested some additional information regarding the transfer that applicant Lance Hess filed.

With this e-mail, I would like to request an additional 60 days to get that requested information to you.

You called ERO on October 18, 2004 to check on the status of the requested information. I will follow up with Mr. Hess to get the requested information to you as soon as possible.

Thank you for your help.
