Re: Water Right 82-07067B

Dear Mr. and Mrs. Richardson:

Thank you for notifying us of the change in ownership of the above referenced right, to you.

We are returning the paperwork to you at this time because additional information is required.

There is a \$25.00 fee required in order for us to process the Change of Ownership. Additionally, there was no attached paperwork included with your form to indicate or show to us how the title has transferred to you from Darrel and Hattie McKenzie.

Enclosed is a copy of the Partial Decree for this Water Right that was sent to me from our State Office. This was issued by the District Court, which presently shows the ownership in the McKenzie's names. You might want to keep this in your files with your other ownership papers, at least until such time the ownership is changed into your names following our receipt of the information requested above, and until you receive confirmation of that change from our State Office in Boise.

Please return the required paperwork to us together with your check or money order in the amount of \$25.00 and the necessary documentation to show us in what manner you received the property.

When we receive the necessary paperwork back, together with the \$25.00 fee, we will receipt the funds, send an acknowledgement letter to you, and forward the paperwork to our State Office for processing.

If you have any questions, please call our office.

Sincerely,

Dianne Ball
