RE: Assignment of Permit for Permits 29-8175 thru 29-8184

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Assignments of Permit for the above referenced permits. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ Filing Fee of \$25 per water right permit

We have determined that the filing fee for your notices will be **\$250.00**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
