Re: Montpelier Irrigation Company Application for Transfer 71529

Dear Roger:

It is my understanding that the Department's review of the above referenced Transfer Application is completed and that it will be submitted for advertisement in the near future. Further, that during an inventory the Department conducted last summer with Montpelier Irrigation's water master and President Marden Phelps, additional points of diversion were inventoried. In addition to the change in the place of use, please consider this letter Montpelier Irrigation Company's request and authorization to amend the Application for Transfer to also change the points of diversion and add the following additional points of diversion:

Paul Loertcher Pump:	NWNESW, Sec 32, T12S, R45E
