RE: Transfer 71090 for Presbytery of Kendall, Inc. filed by Larry Bull

Dear Mr. Becker:

Larry Bull has submitted a transfer in the name of Presbytery of Kendall, Inc. with an address in Pocatello, Idaho. I find no documentation that he has the authority to file on behalf of the Presbytery of Kendall, Inc. or that the address has changed. A copy of the transfer and a copy of the letter that was sent to Larry Bull requesting the necessary documentation are enclosed.

If Mr. Bull does not have the authority to file the transfer in the name of Presbytery of Kendall, Inc. then you, as Agent, would need to sign the transfer. For your convenience enclosed is a signature page for the transfer that you would need to sign in front of a notary and return to this office.

Also, it would be appreciated if you could confirm the address for the Presbytery of Kendall, Inc.

Your prompt response on or before September 8, 2004, will be appreciated.

Thank you,

Keith C. Wilson
