Dear Sir:

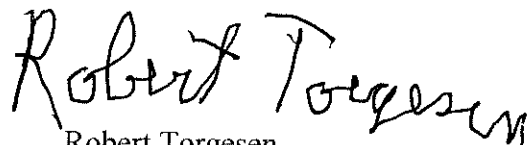

I -Robert Torgesen, am protesting the transfer of #71090 application.

REASON;

1. Non use of irrigation water for many years.
2. No head gate or facility for measuring water.
3. Creek level below adjacent land, impossible to flood irrigate.
4. Non payment of water assessment.
5. Land under proposal has never been irrigated.

I have been chairman of the 11-B district for many years. I am willing to present witnesses to the above facts.

Sincerely,

Robert Torgesen
