RE: Personal Visit

=====

I met with Mr. Stephens today regarding the information needed for the owner change and assignment. We reviewed the water right files for most of the water rights. Here's what we discussed.

65-4057 is for recreation use (swimming pool) and is on the deeded ground.

65-2864 is for the campground on leased Forest Service land. Transfer shows parcel 61225A. Mr. Stephens will provide a copy of the lease agreement.

65-2865 is for campground, cabins and snack bar. Mr. Stephens will provide the lease for the campground and will look for a parcel number on tax deed or map to compare to the transfer showing parcel 61225.

Permit 65-13878 - assignment submitted and fee paid

65-13061 is for campground, 16 cabins, snack bar, etc. All on deeded ground except campground. Mr. Stephens will provide lease agreement for campground. Fee paid.
