RE: Change of Ownership for Water Rights 63-8209, 63-19440 & 63-22269

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence advising of a name change for the above referenced water rights. The department has modified its records to reflect the changes of name and has enclosed computer-generated reports for your records.

If you wish to add Richard Dacheff, Jr. to the ownership of these water rights you will need to submit a Notice of Change in Water Right Ownership form along with support data and the appropriate filing fees of \$25.00 per water right. I have enclosed an ownership change form for your convenience.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kari Lynn Townsend', is written over a horizontal line.

Secretary
