PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 65-22828

Dear Permit Holder:

The department acknowledges receipt of two proof of beneficial use forms submitted for the above referenced permit. The field examination report filed by Van Deusen Ranch, Inc. on behalf of both permit holders is presently on file with the department, therefore, the next step in the process is for the department to review the file for issuance of a water right license.

The department received a Proof of Beneficial Use from the Department of Lands with a \$50.00 license exam fee, which is unnecessary because of the filing of the field report. Therefore, I have initiated the process to refund the \$50.00 to the Department of Lands. The refund should arrive in seven (7) to ten (10) business days under separate cover.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

Deborah J. Gibson
