RE: Change of Ownership for Water Right 63-22030

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

We have also enclosed a portion of the documentation you submitted with your evidence of ownership and with your notice of change in ownership, as it was not needed to complete the ownership change process. This includes the Insurance Owner's policy, Schedule A, Schedule B, Escrow Closing Instructions, Settlement Statement, Privacy Policy Notice, and Inspection Report. We are keeping the Warranty Deed for our records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
