RE: Change of Ownership for Water Right 67-7152

Dear Mr. Rice:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. **We realize that you have already sold the land associated with the water right. The ownership of the water right will be changed to the new owners when the appropriate forms and documentation are received.**

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any **change of mailing address** of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
