RE: Change in Ownership for Water Right 65-10975

Dear Mr. Adams:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Filing Fee** of \$25 per water right

☒ **Signature**

During our review of the documentation you submitted we found that you have not signed the back of the Notice of Change in Water Right Ownership form. We cannot process your request without your signature. We have enclosed the original Notice of Change in Water Right Ownership form. **Please sign the back of the notice where specified, and return it to us.**

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$25**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending their receipt. If we do not receive the necessary fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

E. Justin Aldridge
