RE: Change in Ownership Water Right 63-27126

Dear Ms. Loveless:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Evidence of Water Right Ownership:** copy of **Warranty Deed, Title Policy, Contract of Sale**, or other legal document indicating your ownership of the property and/or water rights in question

☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. The documentation you submitted with you notice included a Grant Deed with its attached legal description of the property. The Deed and the legal description show your ownership of land that is located in **Gem County, Township 7 North, Range 1 West**. However, the place of use description for water right 63-27126 is in **Canyon County, Township 3 North, Range 4 West**. We cannot process your notice unless the legal description attached to your evidence of ownership matches the legal description of the place of use for the water right. I have enclosed a copy of the water right for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive the necessary information within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-327-7941.

Sincerely,

E. Justin Aldridge
