Dear Mr. Zeiler:

In reviewing your Claim to a Water Right we have discovered that the description of the land that you gave us is in Oregon. It appears that the legal description should show township 11 North instead of township 10 North.

I have taken the liberty of filling out an amended claim for you that shows township 11 North. To complete the filing just sign the amended claim before a notary and return it to us.

If I can be of further assistance please contact me.

Dear Mr. Zeiler:

In reviewing your Claim to a Water Right we have discovered that the description of the land that you gave us is in Oregon. It appears that the legal description should show township 11 North instead of township 10 North.

I have taken the liberty of filling out an amended claim for you that shows township 11 North. To complete the filing just sign the amended claim before a notary and return it to us.

If I can be of further assistance please contact me.

Sincerely,

Bill MacAllister
