A hand-drawn map on graph paper. The map features a grid of squares. A path is marked with numbers: 4E, 5E, 13, 18, and 75. A small box labeled "20 ft" is located near the number 13. The word "spring" is written near the number 13, with an arrow pointing to a small circle. The number 4E is in the top row, 5E is in the top row, 13 is in the middle row, 18 is in the middle row, and 75 is in the middle row.

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions, section, township and range of the public land survey system.

The filing deadline has been extended with a substantially increased fee:

RE: Claim No. 51-4094

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

DAVID B. SHAW
Western Region Supervisor
