IN REPLY REFER TO

L:VSS
Idaho 016182

APR 29 1969

DECISION

Assignee: Vera H. Steiner

Desert Land Entry

Assignor: Farol B. Foster

Assignment Approved

On February 25, 1969, the above entryman (assignor) was allowed desert land entry, I-016182 on the following lands:

T. 7 S., R. 5 E., Boise Mer., Idaho
Sec. 11, SE $\frac{1}{4}$ SE $\frac{1}{4}$
Sec. 13, W $\frac{1}{2}$ NW $\frac{1}{4}$, SE $\frac{1}{4}$ NW $\frac{1}{4}$
Sec. 14, NE $\frac{1}{4}$

On April 22, 1969, the entryman (assignor) filed a deed assigning all of his right, title and interest in the entry to the assignee named above. The assignee has filed an affidavit showing that he is qualified to accept an assignment of and hold a desert land entry.

A review of the case file indicates the entry is now in good standing so far as the record shows. However, this office does not attest to the full compliance with the desert land laws as presently reflected by the case record.

The Secretary, Department of the Interior, has set out certain criteria which are now applicable to each entryman. As the assignee is now the entryman of record these criteria are applicable to him. The entry must be reclaimed for his own benefit; the entry may not be assigned to a corporation; the entryman may not, before receiving patent, enter into any arrangement to transfer title to the land; after patent is issued, the entryman may not enter into any arrangement which has the effect of permitting anyone to hold more than 320 acres of desert entry land; and the entryman must expend his own money on the necessary irrigation, reclamation and cultivation of the entry or incur a personal liability for any money so expended.

The assignment is hereby approved and the records of this office are noted to show that the assignee is the entryman for the lands assigned under the above-identified desert land entry. The remaining compliance to be met on this entry and the due dates are shown below

Dear Mrs. Steiner:

One of the conditions of the approval of your Permit No. G-32808/51-2212 was that proof of application of the water to beneficial use be submitted to this office on or before March 31, 1971.

Enclosed is an affidavit form which must be used to submit proof of beneficial use. You may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended.

Either the proof affidavit or a request for extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Mrs. Steiner:

As of this date we have not yet received the affidavit of publication to be submitted in connection with the above referenced permit. Proof of beneficial use is not required until March 31, 1971; however, many newspapers do not keep copies of these advertisements in their files. We, therefore, recommend that you obtain this affidavit from the Owyhee Nugget, Marsing, Idaho and submit it to the Department as soon as possible. This insures that when you are ready to submit proof of beneficial use there will be no unnecessary delay or added expense.

Re: Permit No. G-32808 (new no. 51-2212)

Mrs. Vera H. Steiner
Route #1, Box 799
Mountain Home, Idaho

Dear Mrs. Steiner:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department; previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply them upon request at any time.

Very truly yours,

Donald W. McElDowney
