Application for Amendment - POINT OF DIVERSION Permit No. G-32008																			
Gomes now David Lahtinen and represents to the State Reclamation Engineer of the State of Idaho: That he is the owner and holder of Permit to appropriate the Public Waters of the State of Idaho, No. G-32008. That the point of diversion is described in said Permit as being located: SW 1/4 NE 1/4, Section 22, Township 7 South - Range 4 East, B.M. That he now requests that the point of diversion be changed to a point located: SW 1/4 SE 1/4, Section 22, Township 7 South - Range 4 East, B.M. That the reason for desiring to make such change is as follows: In the original filing of my permit an error was made in the legal description. I have a right-of-way and permission to drill my well south of this on lands belonging to Milford Vaught and I intend to drill this as it appears to be a better site for the location of the well with reference to water availability and irrigation to my land. That no one will be injured by such change, and that such change will be made at Permit Holder's own risk.
