Dear Mr. Merrick:

Upon preparing to license the above numbered permit, we find that a proportionate share of this permit was to be licensed under permit G-31684/51-2191 in the name of Emma P. Merrick. This fact was overlooked when the fee letter was prepared, therefore, we can only issue your water license on this permit for a maximum rate of diversion of 4.14 c.f.s. and a maximum of 1,106 acre feet per year. The license will still be issued for 316 acres .

If you disagree with any of these figures, please advise us within ten days of the date of this letter; otherwise, a license will be issued for these amounts.

Moehring with yourself appearing as agent. The land in question is the SE $\frac{1}{4}$ SW $\frac{1}{4}$, NW $\frac{1}{4}$ SW $\frac{1}{4}$, NE $\frac{1}{4}$ SW $\frac{1}{4}$, Section 2, Township 7 South, Range 4 East, B.M.

Since this land is on Permit No. G-31684, it would be a lot easier and less expensive to leave it as is and if you are using the excess water from your well in Section 10, for this ground, amend Permit No. G-31684 to include this well as an additional point of diversion. Otherwise, Permit No. G-29276 will have to be re-advertized and new proofs made at your expense and in addition, an amendment to the land list to include these three additional 40 acre subdivisions is needed.

Please let us know your desires in this matter. If you want to amend Permit No. G-29676 or Permit No. G-31684, we will forward the necessary forms, or you may correct the enclosed proofs by crossing off the land circled in red and change the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 10 to NW $\frac{1}{4}$ SE $\frac{1}{4}$, Section 10.
