Dear Mr. McDowell:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-27931, in the name of B. B. Burroughs. Final Proof is to be made before you, as Notary on the 30th day of June, 19 64, at 10:00 o'clock A.M., at 224 Idaho Building, Boise, Idaho.

As of this date, we have mailed the Notice to the Owyhee Nugget Marsing, Idaho, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done hereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the AFFIDAVIT OF PUBLICATION.

It should be further noted that I get all of my water in this license, for this proof, out of the well in SE $\frac{1}{4}$ SW $\frac{1}{4}$ of Sec. 1, T7S - R4E. And he also has another well. Permit #G-22227 was measured and should be licensed for 6.04 cfs.
