License No. G-26116

Gable A. Ranch

Route #3,
Nampa, Idaho

Dear Mr. Agenbroad:

The above numbered permits and license are all for water
from the same well.

This is to advise you that proofs have been made on G-27697
and G-26034 and are ready to be processed prior to licensing.

However, 21748 and G-25381 have higher priorities. Also
G-25381 is in the name of Mrs. Edna Agenbroad, Brunson, Idaho.

Now, if license is issued on G-27697 and G-26034, that along
with license G-26116 will cover all the water delivered by the well and
none will be left available for 21748 and G-25381.

In view of the above facts will you please send in a letter
to the department relinquishing back to the state the last two mentioned
permits.

Yours truly,

GEO. M. CARTER
State Reclamation Engineer

Dear Mr. Agenbroad:

The above numbered permits and license are all for water from the same well.

This is to advise you that proofs have been made on G-27697 and G-26034 and are ready to be processed prior to licensing.

However, 21748 and G-25381 have higher priorities. Also G-25381 is in the name of Mrs. Edna Agenbroad, Brantley, Idaho.

Now, if license is issued on G-27697 and G-26034, that along with License G-26116 will cover all the water delivered by the well and none will be left available for 21748 and G-25381.

In view of the above facts will you please send in a letter to the department relinquishing back to the state the last two mentioned permits.

Yours truly,

Dear Mr. Agenbroad:

The above numbered permits and license are all for water from the same well.

This is to advise you that proofs have been made on G-27697 and G-26034 and are ready to be processed prior to licensing.

However, 21748 and G-25381 have higher priorities. Also G-25381 is in the name of Mrs. Edna Agenbroad, Bruneau, Idaho.

Now, if license is issued on G-27697 and G-26034, that along with License G-26116 will cover all the water delivered by the well and none will be left available for 21748 and G-25381.

In view of the above facts will you please send in a letter to the department relinquishing back to the state the last two mentioned permits.

Yours truly,
