Re Permit No. 10036.

Mr. Edward B. Strickland,
Gasmere, Idaho.

Dear Sir:--

Replying to yours of the 20th inst. would say that the enclosed blanks should be filled out in duplicate and returned to this office in time for notice of proof to be published four full weeks prior to the date of making proof. When the notices have been received here, one copy will be mailed out for publication and deposition blanks will be mailed to the notary public, or other officer, named to take the proof. An engineer from this office will attend to the examination, as we will have a man in the field for such work soon.

Very truly yours,

J. H. SMITH,

State Engineer.

Dear Sir

I would like to make
proof of Benificial use of the
water embraced in permit No 10036
Serial No 016830. And also have an Engineer
pass on work. if required. Or it would
save me quite a bit if you could appoint some
one to pass on. I would suggest
Mr. Wm. Hart. Or Mr. W. Caudie as I think
they would get along with the State and
myself's ease. Now I would like to get this
done as soon as possible as I have my land
Advertised to make proof on April 10-1717
So if you will send me blanks for
getting up this and I oblige

Edward B. Strickland
