Re: Application for Transfer No. 41-2037

Dear Mr. Milesnick:

The Department of Water Resources acknowledges receipt of your Application for Transfer.

This office will be advertising the application in the South Idaho Press on 2/4 and 2/11/88. The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, a regional review is required. State Office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Very truly yours,

Loren O. Holmes, P.E.
