Gentlemen:

We received the proof on the Notice of Publication on the above numbered permit, and find the following corrections:

In Paragraph 4, Line 2, it should read SE 1/4, Sec. 16, instead of SE SE 1/4.

Also in paragraph 6, the priority date should read January 17, 1962, instead of January 17, 1961, as shown.

Could we please have another copy for our files when these changes have been made.
