Sirs:

Re: F. A. Schumacher application

Enclosed is Application for Permit and Mr. Schumacher check
\$5.50 to cover your fees.

As I understand it, he may make final proof as soon as
works are completed, even though he has taken five years
to complete. If this is not correct, please advise on this
point as he might desire to shorten the time for collection of
works.

Yours truly,

W. C. Loofbourrow.
