Gentlemen:

Enclosed is a revised Application for Amendment for licensing of the above referenced permit. The amendment was revised to reflect that there is only one point of diversion under this right. The first amendment we sent to you listed both SE $\frac{1}{4}$ NW $\frac{1}{4}$ and NE $\frac{1}{4}$ SW $\frac{1}{4}$ as points of diversion and places of use. However, there is only one point of diversion located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ and the place of use stays the same as previously noted.

All that is required is for you to sign this new amendment and return it to our office so that the license can be issued. Enclosed also is Receipt No. 48361 in the amount of \$20.00 which you previously paid for the amendment.

We apologize for any inconvenience this may have caused. If you have any questions concerning this matter, please feel free to contact us.
