Dear Mr. Sonnichsen:

The application for permit is acceptable with some addition and a correction, provided the filing fee is paid.

The filing fee for 1 cubic foot per second is \$5.00 which should accompany the application. The post office address of the application, Elsie D. Sonnichsen is not complete, as only Route #3 is shown. What is the city?

The name of the applicant is shown as Elsie D. Sonichsen in one place. Should that be Sonnichsen to agree with other places?

Kindly remit the filing fee, post office address and proper spelling of the applicant's name and the application will be processed.
