MEMORANDUM

TO: Application for Permit 36-15698 File

FROM: Corey Skinner *CS*

DATE: August 2, 2001

SUBJECT: Site Visit

On July 31, I visited the property involved with Application for Permit 36-15698. I verified the location of the point of diversion, place of use, and that the source of water appeared to be adequate, when available. The attached photo documents my visit and shows the point of diversion and the source of water.

View looking north along waste water ditch that serves as the source of water. The point of diversion consists of a 2 HP pump. The place of use consists of the lawn to the east (right in photo) of the ditch.

PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 36-15698

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau

RE: Permit No. 36-15698

Permit Approval Notice

Dear Permit Holder:

The Department of Water Resources has issued the enclosed permit authorizing you to establish a new water right. Please be sure to thoroughly review the conditions of approval and remarks listed on your permit.

The permit is a PRELIMINARY ORDER issued by the Department pursuant to Section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

Enclosed is a form entitled 'Instructions for Proof of Beneficial Use.' Please read the instructions carefully since you must take further action to develop this permit into a licensed water right. Also enclosed is a form entitled 'Proof of Beneficial Use.' If your project is already completed, you should complete and submit this form immediately.

Please note that a separate stream channel alteration permit must be obtained from the Department prior to any activity in the stream channel other than construction or maintenance of the diversion structure for your water right(s). Applications for stream channel alteration permits must be filed a least sixty days prior to the commencement of work in the stream.

MICROFILMED

NOV 13 2001

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at 208-327-7946.

Sincerely,

Shelley W. Keen

Water Rights Supervisor

**EXPLANATORY INFORMATION
TO ACCOMPANY A
PRELIMINARY ORDER**

The accompanying order or approved document is a "Preliminary Order" issued by the department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action of the Department of Water Resources (department) unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the department or the Idaho Water Resource Board (Board) is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

MICROFILMED

NOV 13 2001

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMO

FROM: Allen Merritt

DATE: October 4, 2001

TO: Permit No: 36-15698 *AB*

In the Name of: **Warren Beddo**

SUBJECT: **Review and Recommendation**

This application is for domestic irrigation of lawn surrounding a house from wastewater. The lawn can be irrigated from a well or from canal shares but the waste water is more convenient. The land is located within the ESPA Moratorium area.

The application was processed without protest.

Recommendation

I recommend that the application be approved subject to the following conditions:

- Source is waste water and subject to original appropriator to cease wasting water.
- Use is limited to irrigation of no more than ½ acre associated with the existing house.
- The permit does not authorize the irrigation of any additional land that is not now irrigated from the applicant's well or from the applicant's NSCC shares.

Re: Application for Surface Water Right From Waste Water Ditch in Jerome County (Warren and Wanda Beddo)

Dear Mary,

We have reviewed the above referenced application to divert 0.02 cfs of water from an irrigation wastewater ditch for domestic purposes. Impacts to fish and wildlife and their habitat should be minimal if this water right is granted. Please contact Chuck Warren, our Environmental Staff Biologist at this office if you have any questions.

Sincerely,

David Parrish,
Magic Valley Regional Supervisor

Re: Application for Permit No. 36-15698

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. The application has been assigned the above referenced identification number. Please refer to this number in all further correspondence.

This office has scheduled advertising the application in the North Side News for 9/6 & 9/13/01. A period of ten days following the second publication will be allowed for the submittal of protests. (September 24, 2001)

If an application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. If a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant

Re: Applications for Permit (Martin & Beddo)

Dear Mr. Warren:

The Department is seeking a written Comment &/or Recommendation from your agency regarding the above referenced application for surface water; a copy of the application is enclosed for your information and reference.

Regional review of an unprotested application can be completed as soon as the final protest period is past; therefore, your prompt response to this request is appreciated.

If you have any questions about an application, please contact this office or the applicant.

Very truly yours,

MEMORANDUM

TO: Application for Permit 36-15698 File

FROM: Corey Skinner *CS*

DATE: August 2, 2001

SUBJECT: Site Visit

On July 31, I visited the property involved with Application for Permit 36-15698. I verified the location of the point of diversion, place of use, and that the source of water appeared to be adequate, when available. The attached photo documents my visit and shows the point of diversion and the source of water.

View looking north along waste water ditch that serves as the source of water. The point of diversion consists of a 2 HP pump. The place of use consists of the lawn to the east (right in photo) of the ditch.
