Dear Mr. & Mrs. Benson:

The Department is in receipt of the correspondence changing the ownership of the above referenced decreed water right to you. We have modified our records to reflect this change in ownership and a computer generated report is enclosed.

Just a reminder, because of a law that went into effect July 1, 1996, all water right owners are required to report change of address or ownership to the department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee to the water right owner. If you have other water rights that haven't had the ownership updated please contact the department as soon as possible.

If you have any questions regarding this matter, please feel free to contact me at (208) 327-7947.

Sincerely,
